# BUDAPEST WORKSHOP

12-14 JUNE 2017

FINAL PROGRAM

We switched some program points for technical reasons. We will start with (the first part of) working on the flashmob activity, as we need to decide on some details, so the finalized materials (flyers, signs) can be printed and developed in time. Therefore we moved the discussing of general project issues to Tuesday.

We also moved all our activities to one venue: Szimpla Kert.
